Copyright© 2008 360ProductReview.com

Leupold offers binoculars of exceptional quality. Whether it is in the field, at a sporting venue, or in the park watching birds or other wildlife, these instruments will meet your needs. Featured is the Leupold Katmai 8x32 with center focus roof prism in black. Also available in Natural. This binocular is also available in 6x32 and 10x32. The 8x32 works well for most sporting events providing a good balance between field of view and magnification. The waterproof construction is a must for use in the field. Leupold features fine optics.
